the Proceedings of the Director was communicated by him to the Managers of aided schools in the form of an endorsement.

(*b*) A copy with copy of this office letter is appended. (*Vide Appendix V.*)

(*c*) Yes.

(*d*) As a rule, the appointment of trained hands to aided classes in aided schools has been insisted upon, but the rule has been relaxed in certain cases when the candidates appointed by Managers happened to be thrown-out hands, and also when the Managers of schools in certain localities reported that trained candidates were not available to fill up short vacancies. The S. S. Board is preferring untrained candidates possessing general educational qualifications and previous officiating service to trained candidates without any previous service for appointment as teachers. As between raw applicants (*i. e.*, applicants without any previous service) those with training qualification have preference over others with no training.

(*e*) No answer is necessary in view of the answer to sub-division (*d*) of the question.

Rao Sahib I. N. Menon (*Director of Public Instruction*):

(*a*) A copy of the order is appended. (*Vide Appendix VI.*)

(*b*) No.

(*c*) The order was modified later on as, on further consideration, it was thought unfair to overlook the claims of thrown-out hands.

APPENDIX V.

(Please see answer to question No. 113).

Letter dated 12th October 1932, C. 1526/08 to the Secretary to the Diwan.

Subject :—Recruitment of trained teachers only in the Department—to reduce amount spent on stipends.

Reference:—D. P. dated 7th September 1932, Pl. 36/07.

With reference to paragraph 17 in the above D. P., I have the honour to observe that in the case of undergraduates it is better to restrict recruitment in future to certificated teachers. The need for places for stipendiaries in Government Training Institution, Trichur, will then vanish gradually and it will be possible to train more private candidates. The restriction proposed in the case of undergraduates cannot, however, be extended to the case of graduates as trained graduates may not ordinarily be willing to accept posts on Rs. 35—40 which is the pay at present offered by this Department to untrained graduates. Moreover, private candidates do not generally get admission into the Training Colleges and so there will be only very few trained graduates available for appointment when required even if they are given a decent pay to start with.

PROCEEDINGS OF THE DIRECTOR OF PUBLIC INSTRUCTION.

Appointment—Approval of.

Read Endt. dated 16th Vrischigam 1111, C. No. Nil from the Manager, C. S. C. S., Trichur, forwarding the petition of K. I. Pavu. officiating teacher of the school.

Order dated 24th February 1936, D. Dis. 5770/11.

The Manager had been already told that the appointment of untrained hands will not be approved if trained hands are available and as such the Manager's action in having appointed this teacher is nothing but defiance of orders. As he says that the vacancy was for a short period and that it is to expire shortly, the appointment of K. I. Pavu is approved as a special case, on condition that his present officiating service will not in any way entitle him for a preferential treatment over a trained hand to be appointed in future. The Manager is also informed that in future the appointment of untrained hands will not be approved under any circumstance if there is a trained hand available and that he should invite application from trained hands by proper advertisement even though the vacancy or vacancies be for very short periods.
